ORESON THE "MISSOURI" STATE.

BY ANNE SHANNON MON There are, perhaps, more Missouri-ans in Oregon than in any other state of the west, where fresh wilds have called the adventuresome spirit. There are many things about Oregonrhere are many things about Orego-ions that one recognizes as character-istics typical of Missouri, and this perhaps, makes Oregon of more in-terest to Missourians than to others. I have often wondered why this is, but being a native Missourian myself, and now a full fledged Oregonius, I

knows a good thing when he sees it, and having left Missouri, he makes a new home where the most ideal con ditions are found; he couldn't be satis led any whore that was less beautifu

and desirable than Misseuri, so he chooses the one spot in all the United States that goes the old home state me britter; and that spot is certainly

Now, as I write, the middle of Now, as I write,—the middle of December—the window is open by my desk, I look out upon green lawns on all the algority bills, home dotted and roses may be picked from many gar-dens. We do not know it is Christmas ime by anything but the crowds o erry shoppers; for there is no suo biting, alpping front, no for on pund or river It is all serence, pleasant, --ar at of door climate nearly all the year brough. We do not have the perpe-ual auushing of California, which is a sing, for without the soft mist and genial rains of our short winter we would not have the perpetually

green lawns and hills, the look glowing verdare twelve months in th showme" spirit, and when once show

he quietly, and in a dignified way, possesses himself of a knowledge of Oregon's resources and opportunities, of which he endeavors to make the most. He is perfectly satisfied with his life in Oregon, and perhaps this spirit of contentment has kept him

from poshing his state as he might have done. For Oregon is less talked about than she deserves, owing to this spirit of reticense among her pec-The thing that is most impressious natural beauty, her glorious forests and splendid mountain lakes and an .- Is the fact that she is the home

CATARRH YIELDS

To Healing Air of Hyomei. Sold Under Guarantee.

Catarrh is the most prevalent disease known to humanity. Probably ninety pur cent of the people in this country suffer at one time or mosther with this common disease.

It is a perm disease and hence can be cured only by some method that will reach and destroy the germs.

This is best foun! in Hvomei, which may be called the direct method of treating catarrh, as its medication, taken in with the air you breathe, goes directly to every air cell in the nose, throat said lungs; kills all catarries germs; feath the irritated mucous membrane and vitalizes the times so as to render catarrh no larger possible.

The unique way in which Hyomei as sold should dispel all doubt as to its curative properties, for our leading druggist give their absolute guarantee to refund the price to any catarrh sufferer that Hyomei fails to benefit. You do not risk a cent in testing its besling powers. What offer could be more fair to you than the where a leading druggist takes all the risk of Hyomei giving satisfaction, and become on the be ludge. Sold aims Otm:Purdy.

THE FALL GUY.

To be Played in Mexico January 14th by the Darnaby Co. Under the Auspices of the Eagles.

In quest of news regarding the pr

sented in Mexico January 14th, or

the auspices of the Eagles, the writer called at the home of the Authors and

on of "The Fall Guy" to be pro

atter a climb to the attic, found and Mrs. Darnaby corily quartered in what they styled their "think shop" quare table, dutted here and there with small pieces of card board, the floor was covered with music paper manuscript and in a chair on eith er side of the table sat the two work ers. "You are just in time to miss most uninteresting entertainment said Mr. Darnaby, "we have just finish ed our first rehearsal or rather what ter expressing his regrets at not arriving sooner, the writer took the proffered seat while Mr. Darnaby pro seded to sit Turkish style, on the floor writer was the only one who had summoned courage to come that far, as ing left quietly alone, to read to the irst one the entire manuscript of the new show." If one can appreciate why we were without much interrup tion, as it is the most trying and

relag proceedings.

In answer to questions as to the use of the card boards, Mr. Darnaby said, 'You see this is more of a play fac than an Authors sanctuary Most musical comedies, with the exception of the music are manufactur real hits of the show are suggested after you have started rebearsals. Th District Leader," a play set to music, and the tremendous success of that whether it be Opera or Musical com 16 of them and with them play over and over the manuscript, we think we have it as good as is possible to picture without a background side the table and while I read the script she brings on the card board stors, sings the music of each number in this way regulating the time, and moves the characters about as we ex-It is more difficult to cast a piece of this kind, because of the necessity and who will, I, am sure, after a few bearsals prove, they possess extraordinary talent, Mr. Alex Whitne will Iplay Adolphus Dobbins, the
